

Shop / Field Mechanic – Heavy Equipment & Fleet

Greater Houston Area | Pay: Dependent on Experience (DOE) | Full-Time | Non-Exempt

Sprint Sand & Clay is seeking experienced and dependable Shop / Field Mechanics to maintain and repair heavy equipment and fleet vehicles supporting our mining and construction operations. This role works both in the shop and in the field and focuses on keeping equipment safe, compliant, and production-ready. If you take pride in quality workmanship, problem-solving, and safety, we want to hear from you.

What You'll Do

- Diagnose, maintain, and repair heavy equipment and fleet vehicles including dozers, excavators, off-road trucks, DOT trucks, tractors, and trailers
- Perform preventive maintenance and scheduled inspections
- Troubleshoot mechanical, hydraulic, and electrical systems
- Inspect equipment and remove unsafe machinery from service when necessary
- Disassemble, repair, and replace worn parts including engines, transmissions, brakes, hydraulics, and steering systems
- Test drive repaired equipment before returning to service
- Maintain accurate maintenance records and parts usage logs
- Order repair parts from approved suppliers
- Conduct safety inspections and prepare required documentation
- Keep shop areas clean and ensure company vehicle compliance
- Follow DOT, OSHA, EPA, and other regulatory requirements
- Support and train maintenance trainees when assigned
- Maintain excellent attendance and punctuality
- Perform other duties as assigned by management

What We're Looking For

- Strong diagnostic and mechanical troubleshooting skills
- Safety-focused with high attention to detail
- Ability to work independently and in a team environment
- Ability to read and complete maintenance documentation
- Capable of lifting up to 50 lbs. and working in awkward positions
- Reliable transportation and ability to work in the field or shop
- Flexible schedule including weekends and holidays
- Welding and cutting experience (stick and/or MIG) preferred

Qualifications

- Minimum of four (4) years of technical school and/or on-the-job experience
- Demonstrated experience with diesel engines, heavy equipment, and commercial fleets
- Ability to supply and maintain personal hand tools

- Comfortable working outdoors in varying weather conditions
- Commitment to company policies and safety standards

Why Join Sprint Sand & Clay?

- Competitive pay based on experience
- Growth and advancement opportunities
- Safety-focused culture
- Supportive maintenance and operations teams
